

Ranger Commanders,

As of 11/28/2011 there are:

142 until the registration deadline

223 days until CAMPORAMA!!!

Has anyone ever asked you how you eat an elephant? The answer is really simple. Sing it with me, "One bite at a time, sweet Jesus." Notice the subtle difference there?

So, how do you save \$675 for Camporama? One dollar at a time of course! To that end, how are you tracking on getting your outpost to Camporama?

At Pow Wow 2011, you were invited to a Camporama sharing session on Friday and Saturday night in which many of you participated. At the 2011 Commanders conference you received first hand information on how to plan for Camporama and ideas on fundraising. The plans have been seeded, the information has been shared, now it's up to you.

Have you scheduled your fundraisers?

Have you communicated to parents?

Have you opened savings accounts for your Rangers?

Dollar for dollar, you won't find a better deal than the one being offered by the district. There are other ways to get to Camporama, each with their own pros and cons, but you'll be hard pressed to find a better deal with more activities packed into one package than this one.
